ITO CPA Office

In-house Senior Accountant (ISA)

In-house Senior Accountant (ISA)

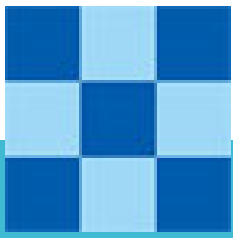

On-site support for Japan CFO / Controller/ Accounting Manager

Our client base is mainly consisted of foreign companies doing business in Japan (Gaishikei Kigyuu)

ISA act as team member of Japan accounting and finance department and provide hands-on accounting services at the office of our client.

If accounting position is vacant and difficult to find a new accountant, our senior accountant assume the role for several months and create manual for the smooth succession of the role to a new accountant hired as full time employee.

The most cost effective solution to strengthen accounting function serving for Japan CFO.
